

*HOW TO ACCESS
REPORT CARDS ON
MYED*

Step 1:

You will have to go to My Ed to log in.

<https://www.myeducation.gov.bc.ca/aspen/logon.do>

The screenshot shows a web browser window with the URL <https://www.myeducation.gov.bc.ca/aspen/logon.do>. The page features the MyEducation BC logo and a central login form titled "MyEducation BC Prod 5". The form includes fields for "Login ID" and "Password", a "Log On" button, and a "Forgot my password" link. Three blue callout boxes provide additional information: one on the left states that accounts are created for students with email addresses provided to the school; one on the top right advises contacting the school if login information is missing; and one on the bottom right explains that the login ID and temporary password will be emailed to the user, with an example "FORM329list".

Accounts will be created for any student contacts that have provided an email address to the school and who have been identified as a parent or guardian

Step 3:

Upon logging in, My Ed will require you to change your password and ask you a few security questions

The screenshot shows a web form for changing a password. At the top, there is a red error box with a white 'X' icon. The text inside the error box reads: "Your password has expired. Please create a new one." Below the error box, there is a list of password requirements:

- Minimum length
- At least one uppercase letter
- At least one lowercase letter
- At least one symbol that isn't a letter or number
- Can't contain 'password', login name, first name, middle name, last name, date of birth, personal id, or only sequential letters or numbers

Below the requirements, there is a table with three rows and two columns. The first column contains labels, and the second column contains input fields.
