

## St. Helen's School Newsletter | June 2024

Principal Waldemar Sambor  
Vice Principal Anthony Canosa

### Dear Parents, **NOTE FROM THE PRINCIPAL**

As the 2023-2024 school year draws to a close, I want to express to all of you my deepest appreciation for your support and a most earnest commendation for a job well done.

We had an extremely successful year at St. Helen's School. I would like to thank all of you for giving the staff and myself complete support in the education of your children. Many thanks also to our staff for their never ending enthusiasm, professional leadership and dedication.

Today marked a significant milestone as we gathered for a rosary and the blessing of the field where we will soon place our new Modular classrooms. It's a historic moment, and I couldn't be prouder of the children who participated in this solemn assembly. Please take a moment to view the memorable event through the link below.

Sincerely in Christ,  
Waldemar Sambor  
Principal

2023-2024

Pick-up & Drop-Off Zones

Dear Parents and Guardians,

Kindly note the updated drop-off and pick-up locations for our students. The construction team managing the installation of the six modular classrooms will be operating throughout June and July. Your cooperation during this period is greatly appreciated to ensure the safety of our students.

Furthermore, we are pleased to inform you that the city has approved our request for speed bumps. One will be installed on Pandora and Ingelton. Additionally, signage will be adjusted to reflect a 5-minute drop-off limit. Please adhere to the new guidelines and respect the designated speed limit for the safety of everyone in our community.

Thank you for your understanding and cooperation.
