

Then Jesus said to them, "Follow Me,
and I will make you fishers of men." –
Mark 1:17

Since the Sea of Galilee, the fish has been an important Christian symbol; the humble fisherman, the earliest messenger of Christ, is an eternal figure in the story of our faith.

We believe the fish to be an appropriate symbol of our effort to build a new school for the children of St. Helen's Parish. To achieve our fundraising goal of \$5.5 million, we must cast a wide net. We must raise the funds needed to finish paying for our recently completed West Wing; as well as the funds needed to break ground on the East Wing.

This is your opportunity to help. This is also your opportunity to leave a legacy that is your name on our "Donor Recognition Wall," which we have named **The Stream of Gratitude**. This special wall, a symbol of thanks and recognition to those of you who will make donations to support these building projects, will be located in the foyer of the West Wing.

You will see there are six levels of giving in our Stream of Gratitude, each represented by a fish of varying size and hue. You know which fish is your symbol; for you know the level of support you will give. Please join our Stream of Gratitude. Please help us to finish this task that God has given us.

Have your name engraved on a fish in our Stream of Gratitude. Each fish is rendered from fine stainless steel and will glisten with your name a century from now. Each fish will contain up to five donor names: you will share a fish with up to four fellow donors. Your generous support being recognized at the following levels:

Your donation of \$1500

Color of fish: bronze
Size of fish: 6"x2.5"
5 names per fish

Your donation of \$3000

Color of fish: silver
