l. Children presently enrolled in the school if they and their families meet the expectations of the school.

2. Siblings of children already in the school whose families are practicing Catholics and active in our parish.

3. Children whose families are practicing Catholics active in our parish.

4. Siblings of children already in the school whose families are practicing Catholics active in other parishes.

5. Children whose families are practicing Catholics coming into the parish who have been attending Catholic school elsewhere.

6. Children whose families are practicing Catholics active in other parishes.

7. Children whose families are either not practicing Catholics or not active in their parishes.

8. Non-Catholics. Once accepted into the school, non-Catholics need only meet the criteria expected of other students to be re-admitted in subsequent years. Siblings of non-Catholics cannot be given priority over Catholics.
